

Do you Love Rafting?

*Train to be a
River Guide!*

River Expeditions, West Virginia's best outfitter, is looking for enthusiastic, outgoing folks to become part of our team. Join us for spring training and become a River Guide for the summer! You'll learn to read whitewater, proper guiding techniques, receive first aid and CPR training, and become a professional River Guide. Guides earn a competitive salary, plus gratuities.

Not interested in river guiding? Work in another department at River Expeditions like our Outfitters Store, Reservations Office, Campground, Maintenance or Transportation Department, Red Dog Saloon & Grill or even train to become a Zipline Guide. Share your passion for adventure with others as they experience wild, wonderful West Virginia. Come join the River Expeditions Team!
